Enrollment Type Definitions

- S** Tesia Clearinghouse is able to facilitate enrollment with the payer. The provider requests enrollment by completing a Tesia Enrollment Request Form and supplying the requested demographic information - including Tax ID and NPIs.
- O** The payer requires that the provider designate Tesia Clearinghouse as their Billing Agent / Clearinghouse via their on-line web portal. The provider must notify Tesia Clearinghouse once the process is completed.
- W** The payer requires the submission of their enrollment paperwork. Tesia Clearinghouse will supply the provider with a copy of the paperwork which can be faxed, emailed, or mailed back to us for submission to the payer.
- F** The payer requires the submission of an **original** copy of their enrollment paperwork. Tesia Clearinghouse will supply the provider with a copy of the paperwork which must be mailed back to us for submission to the payer.
- I** Tesia Clearinghouse is able to initiate the enrollment process with the payer; however, the provider must work directly with the payer in order to complete enrollment. The provider must notify Tesia Clearinghouse once the process is completed.
- *** Indicates that the paperwork required is the same form used for 837D enrollment.
- L** Indicates that the provider must also submit a letter of authorization on their office letterhead.
