Vyne Dental is part of the Vyne family
of industry-leading information
exchange, revenue cycle management
and secure communication solutions
for healthcare.

Connecting Disconnected Data®

Vyne® provides end-to-end health information exchange and electronic healthcare communication management for more than 800 hospitals and health systems, 50,000 dental offices, and more than 800 plans and payers across the United States. Uniquely positioned to serve multiple key stakeholders within healthcare, Vyne has made Inc. 5000's annual list of the nation's most prestigious and fastest-growing private companies for 15 consecutive years. Under Steve Roberts, Vyne continues leveraging synergies across its two health tech businesses, Vyne Medical and Vyne Dental, to accelerate growth and facilitate relationships between providers, payers, and patients across the full healthcare spectrum.
