Discounted fees are simple savings based on general dental fees. Dental Fees for this program vary by dentist. The price of our plans may vary depending on your location.

The sample table above is a small selection of common procedures included in Vyne Dental Plans.

This fee schedule is only to be used as a guide to determine approximate prices for dental services based on sample geographic location. Vyne Dental Plans makes no guarantee as to the accuracy of any particular fee amount. Individual dentist fee schedules may differ. For verification to determine the specific rates for a dental provider, please contact your dental provider directly.

Advantage Plan subscribers are entitled to 2 Child Prophylaxis (or) 2 Adult Prophylaxis (or) 2 Periodontal Maintenance with a co-pay of \$25 each.

The [\*Average Fees\*] is determined by VyneDentalPlans.com. using benchmark data from FAIR Health, Inc. FAIR Health data is used under license. Fees may reflect combined fees from several different procedures into one procedure and may not be directly comparable to a specific benchmark in FAIR Health Data. Actual fees charged by your provider may vary for a variety of reasons.

Discounted Fees / Price With Plan Fees are listed for visits to a participating general dentist. Members will be charged the Vyne Dental Plans provider's contracted fees. Charges may vary from the sample fee schedule above. Consult with your provider prior to beginning any treatment. Lab fees may be additional.
