# How to Install the PMS Dental Plugin

1

**Click on your User Name in the upper right hand corner.**

Then select **"Downloads"**.

2

Select download on the "PMS Dental Plugin" option.

Locate the executable file you downloaded. This may be found within your browser or in your **File Explorer** on your computer. Open the file.

3

Click Install.

Locate the Vyne Dental Plugin on your desktop. Double-click to open it and log in.
